

Analysis Factory Privacy Policy

We receive, collect and store any information you enter on our website or provide us in any other way.

We may use software tools such as Google Analytics to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page.

The Google Analytics Privacy Policy can be viewed at: <https://policies.google.com/technologies/partner-sites>

When you communicate with us via email, we also collect personally identifiable information (including name and email), comments, and feedback.

Your personal information will be used for the specific reasons stated above only.

We collect such Non-personal and Personal Information for the following purposes:

1. To provide and operate the Services;
2. To create aggregated statistical data and other aggregated and/or inferred Non-personal Information, which we or our business partners may use to provide and improve our respective services;
3. To comply with any applicable laws and regulations.

This website is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to promote and sell our services to you. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall.
